## Name and List of Equipment and Machinery along with the number, installed capacity and horsepower used on the letterhead of the Organisation.

| SI<br>no. | Equipment/<br>Machinery | Power | Load | Voltage | Load in<br>Horsepower<br>(HP) | No. of<br>Equipment/<br>Machinery | Installed<br>Capacity |
|-----------|-------------------------|-------|------|---------|-------------------------------|-----------------------------------|-----------------------|
| 1.        |                         |       |      |         |                               |                                   |                       |
| 2.        |                         |       |      |         |                               |                                   |                       |
| 3.        |                         |       |      |         |                               |                                   |                       |
| 4.        |                         |       |      |         |                               |                                   |                       |
| 5.        |                         |       |      |         |                               |                                   |                       |

• Power, Load and Voltage is not compulsory but other than that the remaining details needs to be submitted.
